Euro Sheer Tissue*

We are proud to introduce the luxurious European look of high-quality, translucent sheer tissue. The smooth and crisp texture of this tissue is perfect for upscale applications. Because of its uniform surface, it is an excellent choice for custom printing, especially with subtle, white-on-white and watermark treatments. Customers who demand the very best will appreciate the quality and luxurious feel of this tissue.

*Only available for custom print program and unprinted sheets

Food Grade Waxed Tissue

Great news for your food service and restaurant customers, we now offer versatile and economical food grade waxed tissue. Unlike other waxed paper products, this tissue is dry waxed and suitable for printing, making it the perfect choice for short run custom print jobs. It has a crisp clean feel, not waxy like traditional waxed paper products, and the performance is virtually the same.

*Traditional wet waxed, all other colors and white are dry waxed

Custom Printing Available

We offer a selection of 12 water-based ink colors, including 4-color process – all FDA compliant for indirect food contact.

Custom ink colors available at higher minimum quantities approximately 30 – 35 reams, size 20" x 30".
(18 master cartons 12" x 12")

Inks are FDA compliant for indirect food contact only.

6 Custom Printed Tissue

Choose the custom print option that best suits your customer or program

It has never been easier to get customized printed tissue. Our **Build Your Own Design** program gives your tissue line a truly unique look. Low minimum quantities and no charge for plates make it an affordable alternative to stock tissue. Pick a tissue color, ink color, and one of our designs, then preview your design at our web site and we will print it to order.

Need larger quantities, more colors, custom sizes? The **Small Quantity** and **Custom Print** programs are right for virtually every possible print request. We offer custom printing to fit programs from retail to resale.

Unleash Your Creative Potential!

There is no end to the possibilities when you Build Your Own Design using combinations of 76 tissue colors, over 200 designs and any ink color you choose. It's simple and easy to do.

Add a little something extra to your next tissue project.

We have over 200 standing designs that you can combine with your art to create a whole new look. There is no charge for the plate, you only pay for the additional color. You can use them as a background for your design or we can incorporate your name into our artwork. It's a cost effective way to add color and interest to your presentation.
